**Application for Allowance and Payment of
Final Compensation of Joseph A. Baldi, as Trustee**

Joseph A. Baldi, not personally but solely as trustee ("Trustee") of the estate ("Estate") of American Buying Retirement Services, Inc. ("Debtor"), pursuant to sections 326 and 330 of title 11, United States Code ("Code"), requests this Court to enter an order allowing and authorizing payment to Trustee of \$13,133.63 as final compensation for services rendered as trustee in this case from October 1, 2004 through the close of this case and allowing as final compensation the amounts previously awarded to Trustee on an interim basis. In support thereof, Trustee states as follows:

Introduction

1. Debtor commenced this case on March 23, 2004 ("Petition Date") by filing a voluntary petition for relief under chapter 7 of the Code.
2. Joseph A. Baldi is the duly appointed, qualified and acting chapter 7 trustee in this case.
3. As of the commencement of this case, the Estate's primary assets consisted of future commission streams and claims for commission streams owing to the Debtor for benefit programs previously sold by Debtor.
4. The bar date for filing claims in this case was August 16, 2004.

Prior Compensation

5. This is the second and final application ("Application") for allowance of compensation filed by Trustee in this case.

6. On November 30, 2005, Trustee filed his first interim application for allowance of compensation seeking interim compensation of \$6,912.00 for services rendered from March 23, 2004 through September 30, 2004 ("First Application"). Pursuant to this Court's Order dated December 13, 2005, Trustee was awarded and paid interim compensation in the amount of \$6,912.00. (A copy of the Court's December 13, 2005 Order is attached hereto as Exhibit A.) As part of this Application, Trustee requests that all monies previously awarded and paid as interim compensation on account of the First Application are deemed final.

7. Trustee has not previously received or been promised any payments for services rendered or to be rendered in this case, except as set forth above.

Services Rendered by Trustee

8. Since his appointment in this case, Trustee has performed actual, necessary and valuable services on behalf of the Estate. Itemized billing statements describing the Trustee's services from October 1, 2004 through the close of the case are attached hereto as Exhibit B. Itemized billing statements detailing services rendered from his appointment through September 30, 2004 were attached to the First Application. Those services rendered by Trustee since his appointment in this case include but are not limited to the following:

A. Trustee identified Debtor's creditors and the insurers with whom Debtor had contracts for business; Trustee issued demand letters to numerous insurance companies informing them of the bankruptcy filing and directing all further commission payments to be remitted to the Trustee; on account of Trustee's efforts, the Estate collected nearly \$100,000.00 in commission income from various insurance companies;

B. Trustee obtained the turnover of account proceeds from US Bank and JP Morgan, totaling more than \$5,000.00;

C. Trustee initiated an adversary proceeding against Aetna Insurance Company, n/ka ING ("ING") for recovery of commissions due on account of certain prepetition contracts; Trustee prosecuted the adversary proceeding; ultimately, Trustee settled the adversary such that, *among other things*, the Estate recovered gross proceeds of \$220,000.00 and ING's claim was subordinated to other timely filed general unsecured claims in this case.;

D. Trustee invested and accounted for all funds received by the Estate and set up and maintained all bank accounts for the Estate;

E. Trustee set up and maintained a computerized case management system for the Estate in order to efficiently keep track of records relating to the Estate's case history, assets, claims and banking activities;

F. Trustee prepared semi-annual reports required by the United States Trustee and met with representatives of the U.S. Trustee regarding the administration and status of the case;

G. Trustee examined, analyzed and verified proofs of claim filed against the Estate; Trustee negotiated with an Estate creditor for the reclassification of an improperly filed secured claim; Trustee negotiated with Lincoln National Life Insurance Company ("Lincoln") for a resolution of the Trustee's objection to Lincoln's claim which asserted a claim in excess of \$1 million, in part as a secured claim and in part as an unsecured claim; upon this Court's order dated May 17, 2007, Trustee settled the claim such that Lincoln was allowed an unsecured claim in the amount of \$50,000.00; and

H. Trustee filed Estate income tax returns for the years ended December 31, 2000, 2001, 2002, 2003, 2004, 2005, 2006, and a final tax return for the period ending May 31, 2007;

I. Trustee otherwise administered this Estate and directed the allocation, liquidation and distribution of assets to creditors herein.

9. Trustee has collected the sum of \$339,208.55 on behalf of the Estate. Trustee has made \$50,467.63 in disbursements in this case as of the date hereof.

10. Copies of the *Form 1 Individual Estate Property Record and Report* and *Form 2 Cash and Receipts Record* showing the disposition of the assets of this Estate are attached to hereto the Trustee's Final Report, filed simultaneously herewith, as Exhibits B and C, respectively.

Compensation Requested

11. During the period covered by this Application, Trustee has spent 78.80 hours rendering services on behalf of this Estate with a value of \$15,105.00. Trustee estimates that he will spend an additional four hours rendering services with a value of \$880.00 to obtain approval of the final report, make a final distribution to creditors and prepare and file his final account.

12. The maximum compensation allowable to Trustee pursuant to section 726 of the Code, based upon the receipts and disbursements listed above, is \$20,045.63 as follows:

25% of the first \$5,000	\$1,250.00
10% of the next \$45,000.00	\$4,500.00
5% of the next \$285,912.58	<u>\$14,295.63</u>
Total allowable compensation	\$20,045.63
Total compensation previously paid	\$6,912.00
Remaining compensation allowable	<u>\$13,133.63</u>

After payment of the Estate's administrative claims, Trustee anticipates that there will be sufficient funds to make a 100% distribution to *timely filed* general unsecured creditors. Trustee does not anticipate that there will be a surplus of funds to be returned to the Debtor.

13. Based upon the caliber of the services rendered by Trustee and the results achieved in this case, Trustee requests allowance and payment of final compensation for his services rendered as trustee from the time of his appointment through the closing of this case in the amount of \$13,133.63 representing the remaining balance of maximum compensation allowable. The remaining balance sought in this Application (\$13,133.63), plus the amount paid in connection with the Trustee's First Application (\$6,912.00), represents the maximum compensation allowable. This aggregate amount represents reasonable compensation for the services rendered by Trustee and is within the maximum compensation allowable as set forth in paragraph 11 above.

14. An affidavit pursuant to Rule 2016 of the Federal Rules of Bankruptcy Procedure, executed by Joseph A. Baldi, as trustee, is attached hereto as Exhibit C.

15. Trustee requests that the compensation requested herein be paid from the Estate funds in his possession.

Status of the Case

16. The Trustee has liquidated or abandoned all of the assets belonging to this Estate and completed his review and analysis of the claims filed against the Estate.

17. Trustee has completed and filed his Final Report simultaneously herewith. Final fee applications for the Trustee's Attorneys and Trustee's Accountants have also been filed concurrently with this Application.

WHEREFORE, Joseph A. Baldi, as trustee of the Estate of American Buying Retirement Services, Inc. requests the entry of an order providing the following:

A. Allowing to Trustee final compensation in the amount of \$13,133.63 for actual and necessary professional services rendered and to be rendered on behalf of this Estate from October 1, 2004 through the closing of this case;

B. Allowing to Trustee all monies previously awarded and paid as interim compensation to be deemed final; and

C. For such other and further relief as this Court deems appropriate.
